Personal Items

Wheeling Animal Hospital & Pet Resort is not responsible for the loss of any personal item, any damage caused to a personal item, or any harm caused to the pet by its own personal items.

- Pets are allowed four personal items each.
- Food is considered one item.
- Each personal item must be clearly marked with a permanent, nontoxic marker.
- Each personal item must show the pet's first and/or last name.

Food

- We provide Science Diet® brand food at no charge (formula based on pet's need.)
- If your pet is on a special diet or if you prefer to bring your own food, it must be premeasured in a resealable bag or airtight container. This way your pet will receive the exact amount of food s/he receives at home, and it will stay fresh.

Toys

- Appropriate toys include those that are inedible and indestructible (e.g., KONG®, Nylabone®, Toughies®). Rawhide, pig ears, hooves, etc., are not accepted for use in our facility.

Bedding

*Personal bedding is highly discouraged for numerous health concerns. **Complimentary Cozy Pads and Cots** are provided for your pet to rest comfortably. If you elect to bring your pet's personal bed, the following rules apply:*

- Bedding must be 100% machine washable; free of zippers, covers, buttons, Styrofoam filling, ties and bumpers.
- Bed must be no larger than 24" x 36".

We appreciate your cooperation.

Your pet's safety, health and comfort are our top priorities while in our care.
